

1963

This week's Petition total. Just bring us 1.....

Please help us by getting just one more Petition signed. Go to solosrm.org/moratorium for a copy of the Petition. Print it, sign it, and send it back or drop it at one of the addresses listed.

What's the plan?

Solos plans to present our Petitions that support a Moratorium on future development at a future meeting of the CSD Board. Stay tuned.....

SHAKING IN THEIR BOOTS

I guess our Moratorium Petition has Rancho Murieta Properties a little nervous. First they stop us from collecting Petition signatures at the supermarket parking lot, next they create a whole new website claiming to *build a better Rancho Murieta*. Sounds a little too familiar, and what's wrong with what we've got? And, finally they spend hundreds of dollars on a half page ad in the RVT with an oxymoron subtitle....."*Help complete our community and conserve our open spaces.*" Not sure doing both is possible. Also, not a word that there may be no water for the proposed build out. And, just in case none of this works, they sent their arrogant attorney to a CSD Board meeting to threaten a law suit if they are not given water for 697 more homes.

Hmmm, does this look like "conserving our open spaces?"

45 Days Review of the Integrated Water Master Plan (IWMP)

The IWMP Draft was presented to the CSD Board this month dated Oct. 11, 2024, and is available on the RMCSD website for your review. The community has 45 days to review and comment on this study. Rest assure that SOLOS will be reviewing this document and will prepare an analysis and comment document. However we hope many community members will review it and comment as well. We assume the CSD Board will develop some options for community input. A quick initial review by our SOLOS Council found some truly alarming findings and conclusions. We think it is worth the time to read and hope many of you will make the effort.

**THANK YOU ALL FOR SUPPORTING OUR OCT.
14TH FUNDRAISER AT THE BACKYARD!!!**

We had a great turnout at the Backyard on Monday, Oct. 14th. Folks had some good food and drinks, got a quick update from John Merchant on SOLOS activities, signed up some new members, sold SOLOS items, and raffle tickets, and collected more signed Petitions. Thank you to the Backyard for sharing their profits with us at this event. Total revenue for SOLOS was approx. \$900 for the night. Thanks also to others who could not make it, but sent donation checks. SOLO has not asked members to pay a membership fee, but we do accept donations to help us with website and business expenses. Just go to our website at solosrm.org to Support SOLOS. Thank you.

P.S. Don't forget to get that one more Petition!
