How many trails have you walked? It's easy to see all the wonderful open space still abundant around our reservoir lakes. Now imagine the open space mostly gone and water levels receding to mud, if the proposed future development of 1000 more homes is approved.

- If you have not signed the Petition for a Moratorium on Future Development, please go to **solosrm.org/moratorium** and follow the directions to sign the Petition. **Petitions are also available at the Local Bean, and drop-off locations listed on the Petition.**
- If you have signed the Petition, please help us by printing more Petitions and giving them to your RM friends and neighbors.
- Your future water supply is in jeopardy and further development must be curtailed.

PLEASE ATTEND THIS WEEK'S CSD BOARD MEETING
